

The diagram shows a site plan of a building complex. The main building is a large rectangle divided into three vertical sections. The left section contains six rooms numbered 1 to 6. The middle section contains a 2x3 grid of rooms numbered 7 to 18. The right section contains a 2x3 grid of rooms numbered 19 to 24. Outside the main building, there are several facilities: a toilet (トイレ) and a bicycle parking area (自転車置き場として利用) on the left; a garbage disposal area (ゴミ置場) in the center; and a storage area (物置) on the right. A ramp entrance (スロープ 出入口) is located at the bottom center. Water supply lines (水道) are indicated by small boxes along the outer walls of the main building.
